Work Experience

Evolutaria Evansville, IN

Feb 2023 - Present

Team Member - Composer/Modeler/Programmer

- Created high-quality 3D character models and composed custom music scores to enhance the game's atmosphere and aesthetic integrity.
- Programmed core game mechanics using relevant software while simultaneously performing bug fixing and error resolution to ensure stable gameplay.
- Worked closely with the development team to ensure all creative assets (music, models, programming) aligned with the project's overall atmosphere and goals.

Reece Farms Mount Vernon, IN

June 2022 - July 2023

Team Member - Stocker/Weed Sprayer/Mechanic

- Managed stock inventory by accurately sorting and placing crates and boxes in their designated areas for efficient organization.
- Executed precise livestock feeding protocols, ensuring animals received the proper type and amount of food based on established guidelines.
- Used safety equipment to spray weeds quickly and effectively, demonstrating strict adherence to handling and safety procedures for hazardous materials.
